#### CERTIFICATE OF RESERVATION OF GAS, ELECTRIC & TELECOMM. EASEMENTS

The spaces outlined by dashed lines and marked "Gas, Electric and Telecommunication Easement, "Gas Easement" or "Electric and Telecommunication Easement" are hereby reserved and easements for gas, electric and telecomm munication utility purposes, which include: (1) the right of ingress and egress to and from the easements across all, lots, access areas, ways and other easements: (2) the right to trim or cut down any trees within the easement: (3) the right to trim or cut down any trees outside easement area within 10' of the closest conductor within the easement of a public way: (4) the right to cut down or trim any trees on private property that may be so defective as to present a hazard to the utility lines after reasonable notice to the property owner: (5 the right of any utility company using said easement to remove permanent structures or obstructions within said easement. No permanent structures shall be erected within the easement. Fences, shrubbery, and gardens may occupy easement area at property owner's risk. The developer is to remove all trees that may interfere with the original construction of the gas, electric and/or telecommunication lines to serve this subdivision.

at locations designated by Louisville Gas and Electric Company (from L.G. & E.'s termination point throughout length of service lines to customer's building): and title thereto shall remain in, and the cost of installation and maintenance thereof shall be borne individually by the respective lot owner upon which the said service line is located. Appropriate easements are hereby dedicated and reserved to each property owner together with the right ingress and egress over abutting lots or properties to install, operate and maintain electric service to L.C. & E.'s termination points. Gas and Electric service lines, as installed, shall determine

the exact location of said easements.

(B) The gas, electric and telecommunication easements shown on this plat shall be maintained and preserved in their present condition and no encroachment therein and no change in the grade or elevation thereof shall be made by any person or lot owner without the consent of the Louisville Gas and Electric Company and Bell South Telecommunications, Inc.

(C) Easements for overhead electric transmission and distribution feeder lines, poles and equipment appropriate in connection therewith are reserved over across and under all spaces (including park, open and drainage space areas). outlined by dashed lines and designated for underground and overhead facilitie Above around electric transformers and pedestals may be installed at appropriate points in any electric easement.

In consideration of L.G. & E.'s bringing service to the property shown on this plat it is granted the right to make further extensions of its lines from I overhead and underground distribution lines.

at appropriate points in any telecommunication easement. Also the right to overhang lots with service wires to serve adjoining lots.

1) Above ground telecommunication facilities and nedestals may be installed

ROCK SPRINGS FARMS, LLC

#### CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved on over and under the strips of land and spaces as defined and bounded by dashed lines, marked "Sanitary Sewer and Drain Easement", together with the rights of ingress and egress over all lots to and from the easements for construction, operation and maintenance of sewers and drains over said land. No permanent structure of any kind is to be placed on, over or under the land which is subject to said easements. The easements shall be for the benefit of the land in the subdivision and other land which naturally drains therein, and said sewers and drains may be constructed by the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency having legal authority for such construction, or by others subject to approval by the

ROCK SPRINGS FARMS, LLC

## CERTIFICATE OF RESERVATION OF WATER LINE EASEMENT

Permanent easement(s) for water mains and appurtenances are hereby reserved on, over, under and through the strip(s) of land as defined and bounded by dashed lines marked "Louisville Water Company Easements" together with the right of ingress and egress over all lots to and from the easement(s) for constructing, repairing, removing, replacing, relocating, reconstructing, maintaining and enlarging of water mains. No permanent structure of any kind shall be erected or the grade of the surface of the Louisville Water Company. Fences, shrubbery, and gardens may occupy easement area at the owner's risk. Temporary rights are hereby reserve to use land adjacent to the permanent easement(s) herein granted for storage and movement of excavated earth, rock, construction materials tools, and equipment during construction of said water lines.

N/A

#### CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and ponding purposes are hereby reserved on and over the land and spaces as defined and bounded by dashed lines marked "Drainage Retention Basin Easement", together with the right of ingress and egress over all lots to and from the easements for construction, operation, maintenance and reconstruction of retention basins and other drainage improvements. No permanent structure of any kind shall be placed on or over the land within said easements except for drainage structures, pavements and landscape planting. The easements shall be for the benefit of the land in the subdivision and additional drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency having legal authority for such construction, or by others subject to approval of the aforesaid Sewer District or Louisville Metro Public Works Department. Until said easement areas are accepted for maintenance by said Sewer District, Jefferson County, or another responsible public agency, said areas shall be maintained by the owners of the underlying fee simple title.

# PROPERTY OWNER'S OBLIGATION

Certain improvements in this subdivision are required by the Metropolitan Subdivision Regulations as specified by an approved construction plan on file in the office of the Director of Works. It is the obligation of every property owner in the subdivision not to damage, alter or destroy those property owner in the subalvision not to admage, after or destroy those improvements and not to allow any condition or activity on his property that will impair the proper functioning of those improvements. For violation of this provision, the property shall be subject to the imposition of a lien for the amount necessary to remedy the violation which may be enforced in the same manner that mortgages are enforced, and persons responsible shall be subject to fine.

## NOTICE OF BOND REQUIREMENT

After construction approval and release of the undersigned subdivider's bond by the Louisville Metro Planning Commission, the owner of any lot may be required to post a cash bond as a condition of obtaining a building permit pursuant to Section 7.2.70 of the Metropolitan Subdivision Regulations.

#### BUILDERS OBLIGATION

The builder of each lot in this subdivision is required to grade the lot so that cross—lot drainage is in conformance with the approved composite drainage plan for the subdivision and all drainage from the lot is directed to a public drainage facility in an easement or right—of—way. In addition, the builder shall construct sidewalks and plant trees in accordance with the construction plan, the landscape plan, and all applicable regulations.

ts successors and assigns, a perpetual easement three feet (5') in width within and along the boundaries of each lot shown hereon, for such uses as Developer determines in its sole discretion, including, but not limited to, utility services, access, drainage, construction, grading and fill, and ingress and egress
